

## Civil Rights Bill - Unmasked

—o— Continued from page 1 —o—

fare-Statism, One-Worldism and Communism. Now, of all things, we are being told that we must have One-Racism, regardless of our Constitution.

We have suffered through the debauchery of our currency; the corruption of our officials, high and low; the sell-out and surrender of our sovereignty and our Army, Navy and Air Force through treasonable and traitorous acts of officials in our Government; the humiliation of seeing our Flag desecrated in foreign lands and innocent citizens imprisoned and murdered in cold blood; our fliers shot down and ransom paid for their release; members of our Armed Forces taken prisoners, and murdered in cold blood, and others still prisoners and slaves to this day; property of citizens and the United States stolen, confiscated and destroyed without compensation; and finally, the Monroe Doctrine scrapped and foreign enemy troops stationed within 90 miles of our shores in appeasement of the most murderous, tyrannical, lying traitor that has ever trod the face of the earth.

What has this to do with the Civil Rights Bill? Everything. It points up to the fact that this deathly sickness and erosion of principles within our Government has spread like a cancerous growth until it has now infected our whole Nation. The Executive and Judicial Branches of our Government, through unconstitutional actions, have attempted to appease the Negro race and we now have the Legislative Branch attempting the same thing through this unconstitutional Civil Rights Bill. Among the 130 members of the House of Representatives who had the GUTS and integrity to remain true to their oaths to uphold and defend the Constitution and refused to sell their vote and our birthright for a mess of pottage, Representative Louis C. Wyman, New Hampshire, had this to say, as extracted from his speech reported in the Congressional Record, Feb. 10, 1964:

"For what it is worth I give this opinion as a graduate of the Harvard Law School, Attorney General of one of the States for nearly a decade, and twice chairman of the American Bar Association's Standing Committee on Jurisprudence and Law Reform for the country.

"This legislation makes a mockery of the Constitution. To yield to pressure for an unconstitutional law because of sympathy for social injustice is to say that the end justifies the means . . . .

"I came here to uphold the Constitution, not to destroy it. To uphold it, I am compelled to vote against this bill . . . .

"It means finally that there is no power in this Congress to legislate as is here proposed in regard to private lives, private business and individual activity within and among the several States having nothing to do with interstate commerce and not constituting State action.

"And it is the sheerest hypocrisy to contend that by so defining such private conduct it becomes constitutionally amenable to Federal law when the power to enact the law was never given to the Federal Government in the Constitution. It is hypocrisy compounded by fraud upon the people to ignore these basic truths because some members believe there are more votes for their reelection to be found in perpetrating the fraud than in protecting the constitutional rights of the people—all the people, both white and colored, Protestant, Catholic, Jewish and disbeliever.

"There are still many private rights in America that under our Constitution are beyond the power of Government to regulate, and one of these is the right to pick and choose one's associates, one's friends and one's customers in private business . . . .

"It is way past time here when some pretty plain English was spoken—on the

— ONE OF MANY FIGHTERS —

Senator Richard B. Russell (D-Ga.)

Sen. Russell and many other Democrats and Republicans, North and South, know that this so-called "Civil Rights" Bill is a vicious Bill, designed to ruin our Nation, and are fighting hard to defeat it. They need your help. Let them hear your voice loud and clear.

record and not just in the cloakrooms—so that we may get hold of ourselves and not go off the deep end with this legislation. It is common knowledge that if a secret ballot could be taken on this bill in its present form IT WOULD NOT GET 50 VOTES.

"If we do not stand up and be counted in this chamber for what we know is legally required by the Constitution of the United States of America, then what are we preserving? Do we have majority rule in this land or don't we?

A substantial proportion of the Members of this House are lawyers, sworn to uphold the Constitution as lawyers, and sworn again as Members. This is our oath, this is our duty, this is our responsibility . . . .

Since the above words were spoken by Representative Wyman, 290 members of the House of Representatives deliberately violated their oaths of office by voting for this unconstitutional legislation.

These same Representatives were no doubt aware of the fact when they voted for this legislation that right in our Nation's capital city of Washington, white women and girls have been, and are being, attacked, raped, and beaten unmercifully in broad daylight in churches, offices, stores and homes. If this vicious Civil Rights Bill should pass, what can we expect next?

We have seen our Constitution slowly destroyed through the "NEW DEAL," the "FAIR DEAL," the "SURRENDER DEAL," and the "NEW FRONTIER DEAL." Now that we are supposed to have been sufficiently brain-washed and inured to stomach anything, we are being handed, through this so-called Civil Rights Bill, the "ROTTEN DEAL."

For the information of the Negro-Communist-appeasing members of the Executive, Judicial and Legislative branches of our government, and their aiders and abettors, the white people of this nation feel that it is time we received a "SQUARE DEAL," as guaranteed to us under the provisions of the greatest document ever devised by human minds and hands—THE CONSTITUTION OF THE UNITED STATES OF AMERICA.

After reading thirty pages of fine print in the Congressional Record of July 29, 1963, which outlines the subversive character and communist front affiliations of many leaders of the NAACP, we are firmly convinced that this legislation, which they are attempting to push through Congress by intimidation, is nothing but a Communist calculated plan of enforced race-mixing to divide, subvert and mongrelize this nation to the point where it will be a push-over for the Communists.

There appears to be only one chance left to defeat this unconstitutional legislation and save our nation from another Civil War—a Civil War that this time will be fought between white and black races.

This one last chance lies within the United States Senate where 100 Senators are bound by their oaths to support and defend the Constitution of the United States. Since this Civil Rights Bill is clearly unconstitutional, these 100 Senators cannot remain true to their oaths and vote for this legislation.

It is up to those of us who cherish our Constitution to let these 100 Senators know that we expect them to live up to their oaths. To that end we offer the following suggestions:

(1) To members of the Armed Forces and their families who have had a foretaste of this bill through that infamous "Gesell Report" (See Roll Call Newsletter, Oct. 29, 1963—copy on request) that is being rammed down your throats, we say get busy today and write, phone or telegraph both of your Senators and let them know in no uncertain words what you think of this bill.

(2) To National and State Commanders of the American Legion, Veterans of Foreign Wars and the Disabled American Veterans, we say go all out to have all Post Commanders call special meetings of their membership and urge each individual to protest this legislation to both of his Senators.

(3) To patriotic, civic, fraternal, religious and other veteran organizations we say to hold mass protest meetings against this legislation and urge everyone to swamp their Senators with letters, telegrams and phone calls.

## Civil Rights

—is nothing but a dishonorable political racket.

We are ashamed of the members of both parties who are trying to jam this so-called "Civil Rights" Bill down our throat.

This can only harm citizens who are helpless pawns in this despicable political power play.

Why do we send them to Washington?

To protect our freedom and our property as prescribed in the Constitution.

The Constitution which all office holders swear on the Bible to support, expressly prohibits Congress from passing this law.

### THE LANGUAGE IS CLEAR

#### ARTICLE 9

The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people.

#### ARTICLE 10

The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people.

In the United States are we going to tear up our Constitution? Are we going to let the federal government run our lives from cradle to grave?

The hour is late as the black despair of communism envelops so much of the world.

Isn't constitutional law and personal freedom worth saving in America—the last bastion of Christendom?
